## FINE ART ASIA 2018 & INK ASIA 2018

September 29th–October 2nd, 2018

Andy Hei, founder of Fine Art Asia, continues to manage this popular and rewarding fair in Hong Kong. Fine Art Asia 2018 returns to the Hong Kong Convention and Exhibition Centre during the peak art season in Hong Kong. This year, Ink Asia 2018 will be staged alongside Fine Art Asia 2018, at the same time as major art auctions in the same venue, attracting dealers, collectors and art connoisseurs from all over the world.

International galleries are excited to participate at this year's expanded fair, and look forward to catering to the aspirations of knowledgeable Asian collectors. The fair successfully promotes cultural exchange between East and West, and presents scholarly lectures for visitors.

Spanning 5000 years of cultural history are museum-quality Asian and Western antiques, jewellery, antique silver and timepieces; Impressionist, modern and contemporary art; and photography. Illustrated below is an interesting selection of highlights from some participating galleries.
